Your Commission on the Minister and His Work has functioned as a commission on the following matters since the last Stated Meeting of Presbytery:

1. Dissolved the pastoral relationship between the Reverend George Hunter and the Grove and Unity Churches and granted Mr. Hunter a letter of transfer to Orange Presbytery.

2. Dissolved the pastoral relationship between the Reverend David H. Moylan and the Ashpole Church and granted Mr. Moylan permission to labor outside the bounds of Fayetteville Presbytery.

3. Dissolved the pastoral relationship between the Reverend Z. T. Piephoff and the Spring Lake Church and granted Mr. Piephoff a letter of transfer to Holston Presbytery.

Your Commission has functioned as a committee on the following matters since the last Stated Meeting of Presbytery:

1. Granted permission to a number of churches to extend calls to ministers for their pastoral services.

2. Has received and found "in order" the following calls, which are to be placed in the hands of the ministers called at the proper time:

(A) The call of the Grove Church for the pastoral services of Mr. Rufus Cromartie at a salary of $1,000 per year, free use of the manse, 7½% MAF payments, $10.00 per month automobile allowance, Group Insurance, and one month vacation per year. The

call of the Unity Church for the pastoral services of Mr. Cromartie at a salary of $800.00 per year, 7½% MAF payments, and $10.00 per month automobile allowance.

(B) The calls of McMillan, Bluff, and Godwin Churches to the Rev. Henry L. Reaves, Jr.; McMillan to pay $800.00 per year salary, $200.00 per year automobile allowance, 7½% MAF payments; Godwin to pay a salary of $1700.00 per year, $300.00 automobile allowance, 7½% MAF payments; Bluff to pay $1700.00 per year salary, $300.00 per year automobile allowance, 7½% MAF payments, and free use of the manse.

SUPPLEMENTAL REPORT OF THE COMMISSION ON THE MINISTER AND HIS WORK REGARDING THE STUDY ON MINISTER'S SALARIES

In response to the study made by the Layman's Committee studying ministers' salaries in the Synod of North Carolina, the Commission on the Minister and His Work makes the following proposals for the study of local churches:

1. That the following minimum basis for the minister's salary and support be adopted:

(A) That the minimum cash salary of $4,200.00 per year be continued, and that, in addition to this cash salary, provision be made for a manse, or manse rental, and the payment of 7½% of the salary basis into the Ministers' Annuity Fund.

(B) That the churches of Fayetteville Presbytery undertake full provision for the following items of support:

(1) Group Insurance and Hospitalization on the minister.

(2) Automobile expenses incurred by the minister in doing the church's work.

(3) Office supplies (stationery, stamps, mimeograph, etc.) and funds for books and periodicals that will improve the minister's usefulness and effectiveness.

2. That churches give a fair estimate of these items after consultation with the minister. Then a definite plan of increase of approximately 1/3 each year beginning January 1, 1960, be put into effect until full coverage of the above items is attained in 1962.

NOTE: This will mean a major increase in the budget of the Home Mission Committee. With 12 Home mission fields, assuming that the Home Missions Committee would have to accept the major part of the increase in living expenses, an additional three to four thousand dollars per year would be added to the Home Missions budget.

Respectfully submitted,
W. B. Heyward, Chairman

REPORT OF CHURCH EXTENSION: Rev. Robert G. Hall, Chairman, made the report on Church Extension. The Report was received and the following recommendations were adopted:

1. That all churches of Fayetteville Presbytery observe May 17-24 as the Week of Prayer and Self-Denial for Church Extension, and that this cause be commended to our congregations from the pulpit and by the use of the brochure prepared by your Committee.

2. That all churches of Fayetteville Presbytery take a special offering for Church Extension on May 24, or on some other convenient date.

REPORT ON HIGHER EDUCATION: Rev. Robert H. Poole, Chairman, made the following report of the Committee on Higher Education. Pending the adoption of the

report, Rev. Marshall Woodson and Rev. Alton Trivette addressed the Presbytery. The report on Higher Education with the reports of the Sub-Committees on College and Student Work and on Candidates, was approved and is as follows:

HIGHER EDUCATION

One of our major concerns is the education of our youth. Your Committee on Higher Education realizes that this task must be kept constantly before our church and the people of our nation.. We must have an education program that is adequate, one to which we can give enthusiastic support.

We must give adequate financial support. By our annual gifts and continuing endowment can our church-related schools meet the challenge of the standards being set by our tax-supported schools. If we are to accept the challenge of our state-supported schools we must offer our students a complete education in every branch of learning, we must assure them an academic and spiritual basis for their studies.

We must keep constantly before us the great number of our boys and girls who pursue their education in State or non-Presbyterian schools, and carry out Church witness and ministry to them.

We believe that Presbyterians will accept the opportunity with which we are challenged. You will be interested to know that Fayetteville Presbytery pledged $36,665.40 on the 1958 Campus Christian Life Campaign, and has paid $12,912.75 through March 20, 1959.

Recommendations:

1. That every church establish a Scholarship Fund of at least $100.00, with special consideration of the request of the Board of Trustees of Flora Macdonald College to place such Scholarship Fund in their 1960 budget for a student at Flora Macdonald College.

2. That every church take advantage of the Vocational Guidance Clinic located at Flora Macdonald College for its young people who may be entering college next year. We also urge the Vocational Guidance Clinic to disseminate more widely information about the Clinic.

REPORT OF SUB-COMMITEE ON COLLEGE AND STUDENT WORK

Whereas, eighty per cent of our North Carolina Presbyterian College young people, more than 5000, are attending non-Presbyterian institutions and the majority of our Presbyterian young people are maturing and forming their life attitudes in a secular atmosphere, and

Whereas, the Synod of North Carolina is attempting, through the Campus Christian Life Program, to provide a setting in which

Presbyterian Students may grow in their faith as they get their education wherever they may be studying, and

Whereas, the Synod's Campus Christian Life Committee, in January, made an itinerary of the Campus Christian Life Centers and found one of the most encouraging features of the trip to be the deep concern manifested for the religious life on the several campuses by the presidents of the institutions, and

Whereas, a summary of the results of the 1958 CCL Campaign show that through March 31, 1959, only forty of the churches of Fayetteville Presbytery had participated; and only $12,913.00 of the $36,665.40 which was pledged had been paid toward the $91,750.00 quota, and

Whereas, we realize that the upward trend in enrollment and the consequent increase in our responsibility, will continue, for the training of our young people, we, therefore, believe it would be consistent with the policies of a denomination that, traditionally, has set high standards for its ministers, and has expressed concern that there be careful, and adequate preparation for ALL positions that our young people fill in society.

NOW THEREFORE, we urge all the leaders of Fayetteville Presbytery, to read carefully the current issue of THE PRESBYTERIAN NEWS, which features the CCL program, and further, that all the churches of Fayetteville Presbytery be encouraged to continue their support of this worthy cause.

PRESBYTERY'S COUNCIL: Rev. R. L. Prince, Chairman, made the Report of Presbytery's Council functioning as a Commission under the authority of Fayetteville Presbytery. The Report was approved and admitted to record and is as follows:

The Commission appointed by Fayetteville Presbytery at its January, 1959, Stated Meeting "to lovingly wait upon the three Trustees of Flora Macdonald College who are reported as planning to bring action against the Presbytery to defeat the consolidation of Flora Macdonald College, Peace College and Presbyterian Junior College, urging them to desist in their suit and failing this to use every means within its power, including the employment of counsel to effect the consoldation in accordance with the authority and instruction of a resolution adopted by this Presbytery on July 26, 1955" reports as follows:

The Commission met at the First Presbyterian Church in Fayetteville on February 17, 1959, and was called to order by the Rev. R. L. Prince, chairman. Eleven members of the Commission were present. After prayer and necessary organizational details, the Commission met with the two Trustees residing within the bounds of Fayetteville Presbytery who are listed as plaintiffs in a suit entered against Fayetteville Presbytery and others.

The two Trustees were appealed to by the Chairman and members of the Commission to desist in their plans to prosecute the suit against the Presbytery. The two Trustees expressed their unwillingness to desist at this time.

In executive session, the Commission instructed the Chairman to secure legal counsel to represent the Presbytery in the courts regarding the suit. Mr. James Dorsett of Raleigh was employed to represent Fayetteville Presbytery. He was asked by the Commission to use whatever means he deemed wise to settle the matter outside the courts.

Thus your Commission has discharged its obligations to date.

Respectfully submitted,
R. L. Prince, Chairman

REPORT ON CHRISTIAN EDUCATION: Rev. Geo. F. Houck, Chairman, made the Report on Christian Education, which was adopted and is as follows:

Due to removal of a number of men from the Presbytery your Christian Education Committee suffered rapid changes in personel but at present time is fully staffed for its work. We call your attention to many items of interest, past and coming, which we hope you will take note of and further inform yourself about.

Christian Family Week is May 3-10. Helpful material can be found in church papers, magazines and Church School literature.

Vacation Church School season is drawing near, we hope your leaders were enrolled in the Institute sponsored for them and held last Saturday.

A new emphasis is being made on Adult Education. The material and promotion of this project will reach us in volume between now and the end of the year. The Men's Council is undertaking a REACH and TEACH project in this connection which deserves the support of all our church groups.

Two Leadership Schools have just been completed and two others are planned for the fall—making a well rounded curriculum available to the leadership throughout the Presbytery.

On April 5, the Senior High Fellowship enjoyed the annual Spring Rally, at which time the new council for the coming year was elected. Three Men's Rallies were held on the same date, enrolling a total of 354 men. Summer Conference for Men of the Church will be held at Montreat, June 26-28. The annual Fall Rally will be held at Camp Monroe, September 20.

We on the Committee rejoice in the bright picture painted by the Stewardship Committee and like to feel that our program across the years has helped prepare our people for this forward step.

Matters regarding Camp Monroe will be presented through other channels. The Director reports that the Camp is rapidly being readied for the summer activities which includes the completion of a recreation building, the fulfilling of a long range dream. A special word of thanks should be expressed to the Women of the Presbytery for a gift of $1,200.00 which is to be used for securing new beds.

The major part of the Christian Education Committee's work is centered in the summer program and this part of this report should be underlined in red and given serious attention. Too much emphasis cannot be given to its significance. As the thinking of the committee and other members of the Presbytery begins to crystalize there is an urgent feeling that we are facing a serious crises in our conference and camping program. A veritable jewel was handed to us in the form of a camp site by friends of the Presbytery. Hard work and many thousands of dollars have developed and equipped our facilities to an enviable degree. Year by year the stream of youth seeking the ministry of the camp is growing rapidly—yearning for the impact of Christ Leadership in this congenial atmosphere. But here is the rub! To this day, April 21, 1959, we have not been able to recruit the leadership our youth deserve and our program demands.

Our Conference and Camp Directors have made repeated appeals with only token response. Some of us ministers make ourselves unavailable and others agree to help if they can be part time counselors, only. The efforts to enlist sufficient laity has produced a mere trickle of needed help. We are sending our children and youth into perilous situations due to lack of proper supervision. By the grace of God no tragic experience has been our lot up to now

but the possibility is so real that it is frightening to contemplate. Either leadership must be forthcoming for this program or the program will have to be curtailed commensurate with the help available. The latter would be disastrous.

New and enlarged Camp Monroe Brochures have been printed for this year and will be placed in your hands immediately.

Information on the following activities will be found in it:

Senior High—June 9-14

Pioneers—June 16-21, Districts 2 and 7; June 23-28, Districts 4, 5 and 8; June 30-July 5, Districts 1, 3 and 6

Juniors—July 7-12, Districts 4 and 5; July 14-9, Districts 1 and 6; July 21-26, Districts 2 and 8; July 28-Aug. 2, Districts 3 and 7

Women of the Church—August 5-6

Family Camp—August 10-15

It is noted with regret that across the years some churches have had no children enrolled at any of the activities of the Camp program. Your attention is called to the availability of a film from Mr. McKnight on conference life. (This is an 8mm film.)

The Committee makes the following recommendations:

1. That all ministers of the Presbytery be urged to give the camping program a place of priority in their summer plans.

2. That Sessions be mindful of the need for ministers in this program and make them available for full conference time to care for the children which they have sent. Pulpit supplies are available, without cost through Presbytery's Office.

3. That every church be urged to make a special effort to recruit capable adults and forward their names at once to the camp directors.

4. That each church conduct a Vacation Church School during the year and report the same, immediately, to the Office of the Presbytery.

5. That all our churches be urged to acquaint the people with the projected program for Adult Education and coordinate their efforts with the Men's Council in their effort to enlist large numbers of our adults in this program.

6. That each church take note of the two Leadership Schools to be held in the fall and give them good support.

7. That the attention of our people be called to the varied program and conferences at Montreat and be urged to attend any that would strengthen their powers and usefulness in the program of the Church.

Respectfully submitted,
George F. Houck, Chairman

CANDIDATE RECEIVED: Rev. L. C. LaMotte, Chairman of Committee on Candidates, introduced Mr. Owen L. Norment as a Candidate for Licensure and Ordination.

On motion by Rev. L. B. McKeithen, information relative to Mr. Norment's dismissal from Asheville Presbytery from the Stated Clerk of that Presbytery was accepted in lieu of a letter of transfer.

Mr. Norment preached an excellent sermon from 2 Cor. 12:9, "My grace is sufficient for you". This sermon was sustained as a satisfactory part of trial.

After the usual examinations the examination was sustained as a whole and Mr. Norment answered in the affirmative the questions put to the candidates. The Moderator led Presbytery in prayer for the Candidate and declared Mr. Owen L. Norment duly licensed to preach the Gospel.

Calls for the Services of Mr. Norment from Cameron Hill and Cypress Churches, having already been found in order by the Commission on the Minister and His Work, were read and placed in Mr. Norment's hands and accepted by him. The following order was taken for ordination at Cameron Hill and Cypress Churches: Time: July 26, 1959, at Cameron Hill 2:30 P.M., at Cypress, 4:30 P.M.

CANDIDATE DROPPED: The second item of the call was taken up.

The following recommendation was presented by Rev. L. C. LaMotte, Chairman of the Committee on Candidates for the Ministry and Mission Service, which was adopted:

That, at the request of Mr. W. Guyton Smith, Jr., Presbytery remove the name of Mr. Smith from the Roll of Candidates, and send a copy of this action to the Session of the Dunn Presbyterian Church, of which Mr. Smith is a member.

That we express our continuing interest in Mr. W. Guyton Smith, Jr., and pray God's guidance and blessing upon him as he continues in his present occupation and seeks to find the way he can best glorify God by his life and vocation. We wish to express our willingness to have him apply for re-enrollment as a candidate, if and when he becomes convinced he should do so.

The minutes of this meeting were read and approved.

Presbytery adjourned with prayer, led by Rev. E. Lamar Beck.

PRESBYTERY'S COUNCIL: Rev. C. K. Ligon, in the absence of the Chairman, Rev. R. L. Prince, presented the report of Presbytery's Council. The report with its recommendations, was adopted and is as follows:

REPORT OF PRESBYTERY'S COUNCIL

I. The following items are submitted for your information:

1. The Presbytery has recently prepared a map of the Presbytery showing the location of every active church. Each church is asked to pick up one copy of the large map and as many copies of the small one as you need. These may be secured at the registration table following recess for lunch.

2. The Council is making a thorough study of the Districts of the Presbytery with a view toward extensive changes. Four changes effecting fields of churches divided by District boundaries are recommended in this report, but the entire matter is being studied with the intention to re-districting the Presbytery.

3. The 1959 General Assembly approved a capital funds campaign for the Assembly's agencies to be held in 1963. The General Council has asked Fayetteville Presbytery to approve this campaign and advise them (The General Council) of this action.

4. It has come to our attention that some churches and organizations within churches are still remitting benevolence monies directly to the causes for which they are given. Let us emphasize again the importance of remitting all benevolence monies through the Presbytery's Treasurer.

5. The Stewardship Committee is announcing plans today for the 1959 Every Church Canvass. Every Church will be expected to make an appointment with the Presbytery's Office for the team to visit your church.

II. RECOMMENDATIONS:

1. That the following changes be made in the districting of the churches in the Presbytery, said changes to become effective January 1, 1960.

Olivia Church from District 7 to District 8; Vass Church from District 6 to District 7; Sardis Church from District 8 to District 2; Hope Mills Church from District 2 to District 5.

2. That the following persons be nominated to serve as the Nominating Committee of Fayetteville Presbytery (as per revisions in the Presbytery's Manual), said Committee to begin serving January 1, 1960:

Class 1963: Rev. R. F. Sloop, C. Reid Ross, Highland Church

Class 1962: Rev. B. E. Dotson, William G. Shaw, Montpelier Church.

Class 1961: Rev. Leslie C. Tucker, Jr., Fred Culbreth, Raeford Church.

The Reverend R. F. Sloop is nominated as Chairman of the Committee.

3. Regarding item No. 3 in Section 1 of this report, that Presbytery receive Dr. Patton's letter as information inasmuch as the Synod of North Carolina has already approved a capital funds campaign for Union Theological Seminary in 1963, and that Fayetteville Presbytery report to Dr. Patton's office that we are in sympathy with the needs of the Assembly's agencies and will be glad to consider the capital funds campaign for them as the Synod of North Carolina fits said campaign into its schedule of capital funds campaigns.

4. That Sandy Grove Church be dissolved as an organization effective immediately and that Presbytery continue electing trustees to care for the Sandy Grove Church property.

5. That churches take special notice of the capital funds campaign now underway for the Presbyterian Home and that specific opportunity be given for all Presbyterians to make contributions to this cause during the campaign.

Respectfully submitted,
R. L. Prince, Chairman

REPORT OF COMMITTEE ON STEWARDSHIP: Rev. A. N. Wells, Chairman, made the report on Stewardship. Pending the reception of the report he presented Rev. B. S. Hodges, Jr., Associate Secretary of the General Council of the General Assembly, who addressed the Presbytery on Stewardship. The report was received and adopted and is as follows:

RECOMMENDATIONS:

1. That Presbytery commend the large number of churches in which there is evidence of a quickened interest in Christian stewardship and urge the churches to continue to take every possible step to increase their support of the budgeted causes of Presbytery, Synod and General Assembly.

2. That Presbytery approve the plans for the 1959 Every Church Canvass; that the churches indicate their support by inviting the canvassing teams to meet with their officers to present the benevolence causes of the Church.

3. That in view of the importance of a local church Every Member Canvass and in view of the sizeable number of churches in Fayetteville Presbytery that do not at the present conduct a canvass, that Presbytery encourage each local church to take the necessary steps to conduct an effective Every Member Canvass in accordance with the Pre-Budget Canvass plan now being widely used throughout the General Assembly:

4. That the Stewardship Emphasis Season begin October 1, 1959 and continue through November 15, 1959 and that November 8 be designated as "Dedication Day", the theme of the Every Member Canvass to be, "His Love, My Response".

5. That following the completion of the Every Member Canvass and the Stewardship Emphasis Season, churches be urged to have their pledges to Presbytery's budget reported to the Presbytery's office not later than December 1.

6. That the regular supplemental offerings of the Board of Christian Education (Rally Day), the Board of Annuities and Relief (Joy Gift), the Board of World Missions, the Board of Church Extension be approved for 1960. Attention is called to the fact that a supplemental offering is used to complete the budget of an agency and may be applied as a Church's gift for these budgeted benevolences.

7. That the Treasurer of Benevolences in the local church be urged to remit gifts to benevolences as collected monthly, if possible, so that our agencies can meet fixed obligations without the necessity of our Central Treasurer's having to borrow money to make advances, and that remittances be made as soon as possible after the last Sunday in the month.

8. That the Churches use the Stewardship Emphasis Season to promote stewardship of time, abilities and possessions among their members; that they use the Pre-Budget Every Member Canvass as a spiritual and, at the same time, a practical way to promote the stewardship of possessions among their members; and that they undergird, through earnest prayer, both the Every Member Canvass and the year-round promotion of stewardship as an essential part of the Christian way of life.

9. That, in order to increase further the stewardship consciousness of each local church, pastors and officers of churches consider

the appointment of a local Church Stewardship Committee or Council to be constituted along the following lines:

An Elder, Chairman of the Board of Deacons, the Every Member Canvass Director, the Chairman of Stewardship for the Women of the Church, the Treasurer or Chairman of Finance Committee, a representative from the Men of the Church, the Assistant Superintendent or Treasurer of the Church School, the Treasurer of the Senior High Fellowship, with the pastor as an ex officio member;

Such a group to form a stewardship prayer group in the local church, to study Every Member Canvass precedures for the last five years and to suggest procedures for the coming year, to plan an informational program for the year-round emphasis of stewardship, to recommend visitors for the Every Member Canvass and the Every Church Canvass, to study stewardship practices and to promote stewardship of time and talents.

10. That pending the adoption of this report Presbytery hear an address by Rev. Bob S. Hodges, Jr., Associate Secretary of the General Council.

Respectfully submitted,

A. N. Wells, Chairman

RECESS: Presbytery took recess for lunch at 12:30 P.M., after being led in prayer and thanksgiving by Rev. M .S. Woodson.

AFTERNOON SESSION

Presbytery reconvened at 2:00 P.M. and was led in prayer by Rev. Geo. F. Houck.

MODERATOR NOMINATED: Rev. Leslie C. Tucker was nominated for moderator of the next meeting of Presbytery.

REPORT ON CHRISTIAN EDUCATION: Rev. George F. Houck, Chairman, made the report on Christian Education. The report was adopted and is as follows:

Your Committee on Christian Education, in its report, does not presume to be inclusive of nor to evaluate the total work of Christian Education being done through out the many churches and organizations of the Presbytery. However the activities of the Committee are varied and broad and give us enough information to bring a very encouraging report of what is happening in its field of endeavor.

AREA DIRECTOR

Our efforts have finally been rewarded in the securing of an Area Director of Christian Education in the person of Miss Mary Catherine McCormick, who was introduced to you earlier in the program. Our desire is that each church will make the best use possible of her services and that her ministry in our midst will be most productive in the improvement of Christian Education in Fayetteville Presbytery.

VACATION CHURCH SCHOOL

A most encouraging Vacation Church School Institute was held in the bounds of the Presbytery, in cooperation with Synod's Office of Christian Education. 136 leaders from across the Presbytery were led by a staff of trained directors in the use of the material for church schools as recommended by the Leadership Department of the Church.

A total of 89 churches reported having conducted schools during the summer with a total of 5496 pupils enrolled under the guidance of 1123 adult leaders. This is encouraging in that seven more churches reported this year than last.

LEADERSHIP EDUCATION

A total of four leadership schools are being sponsored during the year. Two were held in the spring and two others are to be in operation during the last days of this month. These are commended to you for support and use.

CONFERENCES AND CAMPS

Camp Monroe has been a busy and fruitful place in the field of Christian Education during the summer and fall. We would say a sincere "thank you" to all who have had a part in providing the facilities of Boyd Hall, this has proved to be one of the best features of the whole camp.

The Presbytery will wish to record its thanks to the many people who have given so freely to the summer program, especially the men who have organized and conducted the several activities.

Total enrollments are as follows: Senior High Conference 176, delegates and staff; Pioneer, Three Camps, 375, delegates and staff; Junior Camp, Eight, 515, delegates and staff; Family Camp, 16 families registered.

These with many smaller groups for brief periods add up to a sizeable constituency to receive the ministry of the Camp during the summer and fall.

The Presbytery should be reminded again of the urgency for more mature leadership, and your committee urges every minister and elder to enlist any help available for the coming program. Our Camping Committee is at work now lining up the program and detailed dates will be placed in the hands of the churches in the near future.

MEN'S WORK

The annual Conference for Negro Youth was conducted during the summer at the State Teachers' College in Fayetteville. Synod's Men's Conference was well attended. The Fall Rally was held at Camp Monroe last Sunday afternoon. Fall activities will include a Presbytery-wide Officer Training schedule.

YOUNG ADULT WORK

Your committee shares the general confusion of the whole church in the field of Young Adult Work. A special committee has been named to examine the philosophy of this area of training and need and make recommendations for future planning. One of our recommendations deals with this matter.

RECOMMENDATIONS:

1. That every church, through its Presbytery representative, be fully informed of the availability of Miss McCormick for any phase of its Christian Education program.

2. That the Vacation Church School Institute be repeated next year and that churches make the most of its facilities.

3. That all our churches examine the Reaching-Teaching program being sponsored by the Men's Council and set machinery in operation to implement it.

4. That the Presbytery record its appreciation for the work of Conference and Camp Directors of the past year and elect the following leaders for the coming year:

Senior High Conference: Rec Cheves Ligon.

Pioneer: Rev. Dan Norman, Chairman, Rev. Frank Davison, Rev. Howard Gilkeson.

Junior: Rev. W. C. Neill, Chairman; Rev. Robert Freeman, Rev. Claire Albright, Rev. James Miller, Rev. Paul Hanks, Rev. James Grubb, Rev. E. Lamar Beck and Mr. Hank Perry.

5. That Presbytery record its appreciation to Miss Betty Wardlaw for her untiring service as advisor to the SHF and wish her God-speed in her new venture. That Miss Tressie Auman be elected to succeed her as advisor for the coming year.

6. That Presbytery establish a policy of designating Young Adults as being adults under thirty years old; and the Committee be allowed to set up its planning on this basis.

7. That $2000 of Christian Education funds accumulated during the time we had no Area Director be applied on the outstanding debts of the new building at Camp Monroe.

8. That, in view of the Synod's policy to assume the salary of all Area Directors, the Presbytery be urged to give full support to the financial asking of the Synod for Christian Education.

Respectfully submitted,

George F. Houck, Chairman.

REPORT ON HIGHER EDUCATION: Rev. Robert H. Poole, Chairman, presented the report on Higher Education. Rev. Louis C. LaMotte, Rev. M. S. Woodson and Rev. H. P. Gwynn spoke briefly about the Consolidated College. The report was received as information.

REPORT ON CHURCH EXTENSION: Rev. Robert G. Hall, Chairman, presented the report on Church Extension. The report was received and the following recommendations were adopted:

RECOMMENDATIONS:

1. That a copy of the "A" Blank provided by the General Assembly's Board of Church Extension be completed by all churches receiving aid from Presbytery's Home Mission Funds and that a copy of this blank be returned to the Presbytery's Office by December 1, 1959. (Information contained in these blanks is helpful to the church in surveying past accomplishments and setting future goals.)

2. That every church receiving aid from the Home Mission Committee be required to conduct an Every Member Canvass.

3. That the appropriations from the Home Mission Fund to Churches in 1960 be made only to those churches which have met the two above requirements.

Respectfully submitted,

Robert G. Hall, Chairman

ASSEMBLY'S AND SYNOD'S SPECIAL CAUSES: Rev. W. H. DuBose, Chairman, submitted the report on Assembly's and Synod's Special Causes, which was received as information.

COMMISSIONERS TO THE GENERAL ASSEMBLY: The following Commissioners to the General Assembly reported their attendance to the sessions of the Assembly: Ministers: Robert G. Hall, E. Lamar Beck, W. S. Golden, Joseph W. Walker and William A. Brown; Ruling Elders: A. B. Hafer, J. H. Blue, P. H. McDonald, C. B. Stafford, Edward Cameron. These reports were received and the Commissioners were commended for their diligence.

REPORT ON RESOLUTIONS: Rev. Wm. S. Smythe, Jr., Chairman, presented the following report of the Committee on Resolutions which was adopted by a rising vote: Be it resolved:

That our sincere thanks be extended to the Women of Laurel Hill Church, for their diligence and industry in preparing and serving a most delicious meal.

That Miss Mary Catherine McCormick be thanked for her presentation of her new work, and that Presbytery continue to invoke God's blessing on her as she serves her Lord and us.

That thanks be extended to Mr. T. C. McKnight for his efficient and thoughtful service as host, and for the multitude of deeds by which he has enriched our Presbytery program through his excellent management of Camp Monroe.

That our gratitude be expressed to Dr. B. S. Hodges, Jr., for his Stewardship Message; and particularly for his awakening within us a desire to do better this phase of God's work.

That our Moderator be thanked for his gracious and expeditious presiding over our deliberations.

That each committee, the Executive Secretary, and his gracious assistant, Mrs. Spears, and all others whose planning and thought have served to make this day enjoyable, be given our most heartfelt thanks.

BILLS AND OVERTURES: Rev. Frank A. Davison, Chairman of the Committee on Bills and Overtures, reported that no business had come before that committee.

SELF ENTERTAINMENT OF PRESBYTERY: A motion was made and carried that members of Presbytery pay for their meal at meetings of Presbytery.

NEXT MEETING: The invitation of the Barbecue Church to hold the next meeting of Presbytery there was accepted with thanks.

READING OF THE MINUTES: The Minutes of the Presbytery were read and approved.

ADJOURNMENT: Presbytery adjourned with prayer led by Rev. C. K. Ligon, to meet at Barbecue Presbyterian Church, January 26, 1960 at 9:30 A.M.

T. A. Guiton, Permanent Clerk.

ATTEST: R. S. Arrowood, Stated Clerk.

REPORT OF PRESBYTERY'S COUNCIL: Rev. R. L. Prince, Chairman, made the following report for Presbytery's Council which was adopted and is as follows:

The Council notes with pleasure that the churches have improved considerably in the practice of remitting benevolence monies through the Central Treasury of the Presbytery. It was not necessary for the Presbytery to borrow funds at any time during 1959 in order to operate the Presbytery's program, a rare accomplishment indeed!

The Council calls attention of ministers and church treasurers to the North Carolina law including ministers in the Revenue Department's Withholding Tax Program.

RECOMMENDATIONS:

1. That churches be commended for the forward strides made in the Presbytery's effort to have all benevolence monies remitted

through the Central Treasury of the Presbytery and that attention be called to the fact that there are still some churches (mostly organizations within churches, such as Sunday Schools, Women of the Church, etc.,) remitting monies directly to the cause for which it is given. Many of the end-of-the-year headaches in completing report forms would be eliminated if all benevolence monies were sent to one disbursing agency; the Central Treasurer would make report to the treasurer of the organization from which it came, indicating the cause to which it was forwarded.

2. That churches be urged to continue SYSTEMATIC remitting of benevolence monies. It seems reasonable to expect every church to remit some part of its pledge to the benevolence budget of the Church **monthly,** but if that cannot be done a quarterly remittance will be expected.

3. That all churches make provision without delay to set up the machinery necessary in order to conform with the North Carolina Department of Revenue's Withholding Tax requirements.

STEWARDSHIP COMMITTEE: Rev. A. N. Wells, Chairman, presented the report on Stewardship. The report was received as information and the following budget for the year 1960 was adopted:

RECOMMENDATIONS:

1. That all churches of Fayetteville Presbytery observe May 15-22 as the Week of Prayer and Self-Denial for Church Extension and that this cause be commended to our congregations from the pulpit and by all other available means.

2. That all churches of Fayetteville Presbytery take a special offering for Church Extension on May 22nd., or on some other convenient date. (Our offering this year will be used to support the new work which the Committee is beginning in Fayetteville.)

3. That the Committee on Church Extension be granted permission to borrow up to $8,000.00 to complete payment on a lot which it is purchasing in the area of the Cape Fear Valley Hospital in Fayetteville. (Your committee anticipates repaying this loan within a six months period, and a Fayetteville bank has agreed to lend the money at 5% interest.) The Church Extension Committee further recommends that a committee comprised of one representative from each church in the Fayetteville area be appointed to work with the Home Missions subcommittee regarding selection and purchase of a site in this area.

4. Your Committee on Church Extension takes note of the fact that the Pleasant View Chapel of Laurinburg has petitioned Presbytery for permission to organize as a church. We pray God's blessing upon them and commend their pastor, the Reverend Howard Gilkeson, and the Laurinburg Church which has sponsored this work.

5. That pending the adoption of this report, the following speakers be heard: The Reverend Robert Freeman, Chairman of the Sub-Committee on Home Missions; the Reverend Howard Gilkeson, Chairman of the Sub-Committee on Evangelism; and the Reverend Leighton McKeithen who will speak on "The Fellowship of Saint Barnabas."'

Maxton, N. C., April 26, 1960.

Fayetteville Presbytery met in its Three Hundred and Thirty-Second Stated Meeting in the First Presbyterian Church of Maxton, April 26, 1960, at 9:30 A.M. and was called to order by the Moderator, Rev. Leslie C. Tucker, and was opened with prayer.

MEMORIAL SERVICE: Rev. W. S. Golden presented the Memorial for Rev. William W. Arrowood. Presbytery directed that this Memorial be incorporated in the minutes. Mr. Golden led the Presbytery in prayer of thanksgiving for the life of Dr. Arrowood.

MEMORIAL OF

REV. WILLIAM WADDELL ARROWOOD, D.D.

William Waddell Arrowood, D.D., was born in Norwood, N. C., on June 12, 1883. He was the son of the Rev. William Butler Arrowood and Mrs. Mary Virginia Pharr Arrowood. He passed away in Florida on February 16, 1960, at the age of 76. In this long span of years there was a good and useful life.

Dr. Arrowood was the son of a Presbyterian minister. As a child of the Covenant he was early dedicated to the Lord, and came to manhood as a worthy son of devoted Christian parents, whose faith he imbibed from his earliest years. Their influence and training bore rich fruit in the life he lived, and the service he rendered.

He graduated from Davidson College with the A. B. degree in 1903, and from Union Theological Seminary in Virginia in 1908 with the degree of Bachelor of Divinity. In 1908-9 he was Hoge Fellow in the same Seminary. At that time the Seminary had only one graduate fellowship, which was awarded each year to the student who, in the judgment of the Faculty, showed greatest promise of usefulness in the ministry. Their judgment was well confirmed in the long career as a minister which Dr. Arrowood carried out. In 1924 he was awarded the degree of Doctor of Divinity by Washington and Lee University. In 1925 he was Moderator of the Synod of Appalachia.

He was licensed to preach by the Presbytery of Bethel in 1908, and was ordained to the ministry by the Presbytery of Abingdon in 1909.

During the interval between his graduation from Davidson College and his entrance into the Seminary, he was a teacher in Rowland, N. C., where he came to know Miss Florence McQueen, who become his wife in September, 1910. Their long life together was a happy one. Mrs. Arrowood was ever a source of comfort and strength to him in his splendid labors. She survives him, and lives on in the community of Rowland, honored and beloved by the people among whom Dr. Arrowood had served as a teacher and pastor.

His ministerial career may be briefly summarized as follows:

He was teacher in the Grundy, Virginia, School, and evangelist of Abingdon Presbytery from 1909 to 1913. The writer of this sketch has a clear recollection that during this time Dr. Arrowood preached in the Davidson College Church, where this writer was a student, and that his sermon was clear, forceful and memorable; and stands in memory to this day above most of the many sermons that were preached in that historic church during those four college years.

From 1913 to 1937 he was Pastor of the First Presbyterian Church of Tazewell, Va., and also served the Burke's Garden and Cedar Bluff Churches during all or part of this long period.

From 1937 to 1945 he was Pastor of the First Presbyterian Church of Pulaski, Va.

From 1945 to 1951 he was Professor of Bible in King College, Bristol, Tenn.

From 1951 to his retirement in 1957 he was Pastor of the Rowland Presbyterian Church in this Presbytery. After retirement he continued to preach as opportunity offered.

Dr. Arrowood was a strong, clear, well informed advocate of the historic theology of the Presbyterian Church. For him the Bible was the authoritative Word of God, the "only infallible rule of faith and practice". His leadership was recognized among the conservative leaders of our church.

This writer's outstanding impression of Dr. Arrowood was that of an able and successful evangelist. His trumpet sounded with no uncertain sound. With manly courage and forthrightness he called upon people wherever he went to receive and surrender to the "Lamb of God who taketh away the sin of the world." People heard him gladly, and responded to his message, for he proclaimed to them the Saviour for Whom their hearts were longing. We think of him as one of those to whom our Lord gave His Great Commission: "Ye are the light of the world".

William S. Golden.

REPORT OF PRESBYTERY'S COUNCIL

The Council of Fayetteville Presbytery joins the large number of people throughout the Presbytery and those of other denominations in expressing sympathy to the pastor and congregation of Galatia Church in the loss of its entire church plant by fire. We remember with thanksgiving to God the outstanding contributions made to the Kingdom of God and to Fayetteville Presbytery by this fine church, and join them in prayer and work that a new edifice to the glory of God and the propagation of the Faith may soon be a reality in their midst.

The Council has prepared a church bulletin featuring Camp Monroe. The bulletins are here today and may be picked up at the table at which you register. We are requesting that each church using bulletins take the number you normally use for a Sunday worship service and use them in the way you think best to give special recognition to Camp Monroe—its needs, facilities and program. We would appreciate your church sharing in the cost of having these bulletins made; but do not not want you to feel compelled to do so; we are much more concerned that you take them and use them. They cost $2.75 per hundred. Mrs. Spears will give you the quantity you desire and your church treasurer may mail a check to the Presbytery's office.

The Council asks your consideration of the personnel of the Presbytery's office in the matter of taking up a disproportionate amount of their time with social visiting when you make a business call there. The executive secretary and the office secretary are delighted to see you, but thy are having too much of the day taken up with callers. With a certain volume of work to get out regardless, it has necessitated night work and weekend work for them. Please do not stop visiting the Presbytery's office, but please be considerate of their time and work schedule when there.

RECOMMENDATIONS:

1. That Fayetteville Presbytery express its sympathy to the pastor and members of Galatia Church in the loss by fire of their church plant, and that it refer the matter of financial assistance to the Presbytery's Committee on Church Extension for whatever action it deems feasible.

2. That, in the light of the second destructive church fire in our Presbytery within a period of two years, churches be urged to make a thorough study of their fire insurance programs and take steps to provide as full coverage as possible.

Respectfully submitted,
R. L. Prince, Chairman

CHURCH EXTENSION: Rev. R. O. Freeman made the report on Church Extension. Pending the adoption of the report, Rev. E. Eugene Kirkman of Winston-Salem Presbytery and a member of Synod's Committee on Evangelism, addressed Presbytery on "Presbyterian Mission to the Nation." Rev. Wm. Chappell led Presbytery in prayer in behalf of the undertaking.

The report was received as information and the following recommendations were adopted:

1. That all churches of Fayetteville Presbytery observe May 15-22 as the week of Prayer and Self-Denial for Church Extension, and that this cause be commended to our congregations from the pulpit and by the use of all material available.

2. That all churches of Fayetteville Presbytery take a special self-denial offering for Church Extension on May 22 or on some convenient date.

3. That it be made known to our congregation that 80% of this Church Extension offering will remain in and be used for special work needs in Fayetteville Presbytery; particularly to help in the establishment of a new church near the Cape Fear Valley Hospital at Fayetteville, to assist Galatia Church in its rebuilding, to assist Summerville Church in constructing an Educational Building, and to help meet other needs as funds are available.

4. That pending the adoption of this report R. O. Freeman, chairman of the Home Missions sub-committee be heard concerning the work of Home Missions in Fayetteville Presbytery, and that John P. Stephenson be heard concerning the new work he is beginning under the direction of the Home Missions Committee.

5. That pending the adoption of this report Howard Gilkerson, chairman of the Evangelism sub-committee, be heard concerning the work of that committee, and that the Rev. E. E. Kirkman of Winston-Salem Presbytery and secretary of synod's committee on Evangelism, be heard concerning the 1961 "Presbyterian Mission to the Nation."

1. That the session of each church appoint a committee on Christian Action. This Committee might be composed of five members: an elder, a deacon, and representatives of the Women of the Church, Men of the Church, and Senior High Fellowship. The Committee should study carefully the packet of materials mailed to all pastors by the Division of Christian Action and the "Manual on a Mission of Christian Action". The Committee should prepare itself to lead the local congregation in a Mission of Christian Action as a part of our Mission to the Nation.

2. That, in order to increase understanding and improve human relations in their local communities, pastors and sessions endeavor to strengthen lines of communication between racial groups wherever possible.

3. That in this election year pastors and sessions challenge the members of their congregations to fulfill their obligation to vote in accordance with their Christian convictions.

4. That Presbytery express appreciation to our Executive Secretary and his office secretary for their faithfulness in maintaining Presbytery's 1960 program with the resources available.

5. That members and churches of the Presbytery regard with prayerful concern the alarming gap between what we are presently doing in our stewardship support of the regularly budgeted causes of Assembly, Synod, and Presbytery and what the needs set forth in the Objectives Budget for 1961 challenge us to do, and that our people be asked to make it a matter of personal and corporate prayer that we rally to the tasks we face.

COMMUNION SERVICE: Presbytery engaged in the Sacrament of the Lord's Supper, administered by Rev. W. C. Neill and Rev. Leighton B. McKeithen, assisted by the Elders of the Bethesda Presbyterian Church.

MEMORIAL SERVICE: The names of the Elders and Deacons who died during last year were read and it was ordered that their names be inscribed on the In Memoriam Page of the Minutes of Presbytery. The Presbytery was led in a prayer of thanksgiving for the services of the deceased Elders and Deacons and in behalf of their families by the Rev. W. B. Heyward.

INTRODUCTIONS: The following ministers were introduced and invited to sit as Visiting Brethren: Rev. John McSween of South Carolina Presbytery; Rev. W. C. Williams of Bluestone Presbytery; Rev. Dawes B. Graybeal of

Winston-Salem Presbytery; Rev. Richard P. Hayes of Lexington Presbytery; Rev. James B. MacLean of Hanover Presbytery, and Rev. Elinos A. Whitlock of Montgomery Presbytery.

Ruling Elders attending Presbytery for the first time were also introduced.

WORLD MISSIONS: Rev. Leslie C. Tucker presented the report of the Committee on World Missions, which was received as information. He presented Rev. W. P. Baldwin, Jr., Missionary to Japan, who addressed the Presbytery on the World-wide Responsibility of the Church.

PRESBYTERY'S COUNCIL: Rev. R. L. Prince presented the report of Presbytery's Council which was adopted:

The Council notes with grave concern that the causes in the 1960 benevolence budget representing Fayetteville Presbytery's portion of the budget (Church Extension, Christian Education, Presbytery's Office, and Camp Monroe) received only 92.2% of their apportioned amounts. The spending budgets of these causes was set up on an expectancy of receiving the full amount budgeted under the plan now in operation by the Presbytery. Churches that did not meet their pledges for 1960 have seriously crippled the work in the Presbytery and have left the entire Presbytry's General Fund with a balance that does not even amount to one month's payroll for the Home Missions churches.

With this in mind, you are urged to return to your churches and **insist** that your church treasurer begin at once remitting his benevolence monies to the 1961 budget and to continue to do so throughout the year on a **monthly** basis.

NOMINATING COMMITTEE: Rev. Robert F. Sloop, Chairman, made the report of the Nominating Committee which was amended and adopted:

1. That Rev. Charles Murray be elected Permanent Clerk, Class of 1962, to succeed Rev. T. A. Guiton, removed.

RECOMMENDATIONS OF STEWARDSHIP COMMITTEE OF FAYETTEVILLE PRESBYTERY—JANUARY 24, 1961

1. That we express our gratitude to Almighty God for the continuing spirit of benevolences of our people, for the marked growth of stewardship evidenced by many of our churches;

2. That Presbytery commend those churches that paid in full or oversubscribed their pledge to the 1960 budget;

3. That in view of the removal of our Executive Secretary and the loss of leadership this involves, and in view of the likelihood of an interim when we shall be without an Executive Secretary, the Boards of Deacons and Treasurers of the churches take special steps to see that monthly benevolence remittances are made regularly so that the work of Presbytery may proceed in as regular a manner as possible during the year;

4. That Fayetteville Presbytery express its deep thanks to the Reverend Leighton B. McKeithen for the splendid leadership and help he has given in stewardship as well as in other areas of the Presbytery's work;

5. That in cooperation with the desire of the Presbytery's Men's Council, Presbytery urge each church to send two men to the Synod's Men's Conference in Montreat in June.

6. That in view of the continuing increases of the work of Assembly, Synod and Presbytery, and in view of the desperate need for our increasing our contributions to regular benevolence causes, Fayetteville Presbytery not include the request for assistance of the Chapel Hill Church and the request for assistance in helping to pay for Synod's office building in the budget for 1961 and that our regrets be communicated to these groups with appropriate explanations why we must decline these appeals at this time; and that we commend the Chapel Hill Church and Synod's building to the generosity of those in position to give to the above budget.

7. That Presbytery approve a budget of $253,034.00 based on the firm pledges from the churches, to be apportioned as follows:

CHURCH EXTENSION: Rev. Jos. W. Walker made the following report on Church Extension, which was adopted:

1. That all churches of Fayetteville Presbytery observe the month of May as a season of special emphasis on Church Extension.

2. That all churches of Fayetteville Presbytery take a special offering for Church Extension on May 21, 1961, or on some other convenient date.

3. That all churches of Fayetteville Presbytery be encouraged to participate as fully as possible in the Evangelistic emphasis of The Presbyterian Mission to the Nation during 1961.

4. That the Bunnlevel Church and The Church of The Covenant each be commended for assuming full self-support.

5. That the churches in the following fields be commended for assuming the $350.00 increase toward the pastor's car expense for 1961 and at the same time decreasing the amount of aid requested from Presbytery, thus taking a step toward self-support. These churches are: Bonnie Doone, Grove and Unity, Providence and Berea, Plainview and Benson, Cameron Hill and Cypress, and Barbecue and Olivia.

6. That the churches of Fayetteville Presbytery be called to earnest prayer for the work of Church Extension, that we may respond in obedience to the guidance of God.

The past year with its change in the work year of the Women of the Church has challenged its members to a new loyalty. There has been evidenced a cooperative response and a ready acceptance of the new plan.

We welcomed two new organizations: Westminster and Pleasant View, bringing the total number of organizations to 87, with a membership of 6,642 in 301 circles.

The eight District Conferences were held in January and November. This due to the change in the work year. Both were well planned and efficiently executed by the District Chairmen assisted by the local Presidents. The offering for both sessions was received for the Fellowship Hall at Camp Monroe. The total gift was $1,361.90.

The Women of the Church contributed 100% to the Birthday offering of $3,166.66, and to the Joy Gift Offering of $12,842.94. Interest in Christian Education continues to manifest itself in numerous ways. Nineteen scholarships were given to worthy students through the Women of the Church. Others were given through local churches.

With the approval of the Executive Board, the $1,200.00 in the budget for Presbytery's Camp Monroe was again designated for the purchasing of new beds for the cabins, thus completing a two-year project with a total of 160 new beds at the cost of $2,400.00. $800.00 of Christian Education fund was used to purchase audio-visual equipment to be placed in Presbytery's office and made available to all churches. The remaining $200.00 in Education Fund established an additional scholarship for this year.

A desire for a better understanding of the work resulted in 52 attending Synodical Training School; 33 Montreat Conference; 178 Retreat at Camp Monroe; 20 the Interdenominational Christian Conference for Negro leaders, and 1 Boggs Academy at Keysville, Georgia. Many others attended World Mission, Church Extension and Music Conferences.

World Mission season was observed by the visit of two missionaries in 26 churches, 2 outposts, 3 high schools, and 2 colleges. The White Cross Quota was met in full. Two fifty-gallon drums packed with bandages, draw sheets, bed clothes, and boys' clothing are awaiting permission to be shipped to the Congo.

Nineteen Life Memberships were presented. Forty-four histories were written, including fourteen church histories.

Special interest was shown in the every member Bible study. Fifty-one organizations observed the week of Spiritual Enrichment in some way.

Miss Ruth Hillhouse, field worker, of Atlanta, Georgia, spent two weeks in the Presbytery presenting the Birthday objective and conducting training classes in eighteen churches, two outposts chapels, and a class of seniors at Flora Macdonald College with a total attendance of 503.

The first Interdenominational Christian Conference for Negro Leaders, held in College Heights Presbyterian Church, was most successful, with 130 in attendance. Three classes were conducted: for Bible leaders, kindergarten workers, and Vacation Bible School leaders.

The request was made for continuance of this conference.

An active part was taken by the women in promoting the Cavalcade in our Presbytery October 6, 7, and in the Barnabas Fellowship, a Church Extension project.

The Seventy-first Annual Meeting was held in the First Presbyterian Church, Fayetteville, October 11-12, with an attendance of 604. An offering of $444.83 was received for Church Extension in Fayetteville Presbytery.

It has been a glorious and wonderful year. To serve as President of the Women of the Church of Fayetteville Presbytery has been a most enriching and rewarding experience. Thanks be to God for this opportunity and privilege of serving Him through the Women of the Church.

MEMORIAL OF

THE REV. JAMES FLOYD MENIUS, Th.M.

James Floyd Menius was born in Rowan County, North Carolina, on October 25, 1886, the son of James Matthew Alexander Menius and Martha Cook Menius. He passed away at Flemington, Georgia, on April 12, 1961 at the age of 74. He was buried in the Flemington Presbyterian Church cemetery on April 14.

He graduated from Davidson College with the A.B. degree in 1911, and from Union Theological Seminary in Virginia in 1914 with Bachelor of Divinity degree. In 1933 he received the Master of Theology degree, also from Union Theological Seminary in Virginia.

He was first married to Miss Myrtle Goodman of Rowan County on December 24, 1914, and from this union came two children, Opal Goodman and Leonard Carey Menius, who survive him. His first wife died on June 11, 1926. On August 21, 1929, he married Miss Flora Martin of Liberty County, Georgia, who survives him and will continue to reside at Flemington, Georgia.

His ministerial career may be briefly summarized as follows:

He was ordained by Holston Presbytery as Evangelist in 1915, and served as Evangelist and as a teacher until 1919. Also, in the period between 1917 to 1919 he served as pastor of Crestmont Community Church, Crestmont, North Carolina.

From 1919 to 1922 he served as Stated Supply of Cape Fear and Buies' Creek Churches in Fayetteville Presbytery.

From 1922 to 1938 he was pastor of the Lillington Church, also of Fayetteville Presbytery. In this period he was also Stated Supply of Coats and Cedar Creek Churches, of which he was also instrumental in organizing.

In 1950, following a serious illness, he was honorably discharged by Fayetteville Presbytery.

Beginning in 1951, first as Pulpit Supply and then as Temporary and Stated Supply, he served the Vaughn Memorial Church in Fayetteville, and this relationship continued until April of 1958. Soon thereafter he moved to Flemington, Georgia.

Mr. Menius leaves a host of friends not only in this Presbytery but throughout the Assembly, and stands as an abiding witness that the things of God are true. He was a man of God, an able scholar, preacher, pastor, teacher and presbyter. His counsel was sought, his companionship cherished, and his judgment and vision honored by all who knew him.

RESOLUTION

THAT WHEREAS, Cheves K. Ligon came to Fayetteville Presbytery in the month of June, 1951, as pastor of the Brownson Memorial Presbyterian Church at Southern Pines, and

WHEREAS, by the grace of God he served an effective ministry to that congregation until March 1, 1961, when his pastoral relationship there was dissolved in order for him to accept the call to become Executive Secretary of Fayetteville Presbytery and thus enlarge the field to which his unusual talents may be applied and broaden the area over which the power of his consecration and Christian witness may be felt, and

WHEREAS, during the time of his pastorate at Southern Pines, more than 850 new members were added to the roll of Brownson Memorial Church, either by letter or profession of faith; that church

built, furnished, and paid for a new Education Building at a cost of $60,000.00; it had installed and paid for a new $21,000.00 pipe organ; it caused to be replaced the heating system and added air conditioning equipment for the sanctuary at a cost of $7,500.00, all of which is paid for; and recently has purchased a new manse at a cost of $26,500.00 on which is owed less than $10,000.00 at this time, and while it is proper to recognize that the addition of new members and improvements to the physical plant are tangible monuments to his great work for God at Southern Pines, it must be recorded that the force he has generated at Brownson Memorial Church and throughout the community which it serves by the power of the Holy Spirit working through him during the past ten years is of immeasurable quantity and will inure to the benefit of all generations there, present and future, and

WHEREAS, it is the desire of the Session, Board of Deacons and Congregation of Brownson Memorial Presbyterian Church that an appropriate record be made of their appreciation for having had this man of God lead them in the paths of righteousness and Christian development, rearing them from infancy into a state of ecclesiastical manhood;

NOW, THEREFORE, be it resolved

1. That the Session, Board of Deacons, and Congregation of Brownson Memorial Presbyterian Church are grateful to Almighty God for having directed Dr. Cheves K. Ligon to them as their pastor from June, 1951 to March, 1961.

2. 3. That this resolution be made a part of the Minutes of the Session of Brownson Memorial Presbyterian Church, a copy thereof be presented to Fayetteville Presbytery at the time of the installation of Dr. Ligon as its Executive Secretary, and a copy thereof be delivered to Dr. Ligon and his family as a token of Christian affection from a people who shall always be better for the portion of his goodness that has been imparted to them.

That all churches be encouraged to take a supplemental offering for Church Extension on May 21, 1961, or on some other convenient date, 80% of which will be used in Fayetteville Presbytery, and the remaining 20% will go to areas of particular need across the denomination.

3. That Presbytery approve the policy concerning the Barnabas Fellowship as stated:

COMMITTEE ON CANDIDATES FOR THE MINISTRY AND MISSION SERVICE

This committee makes the following recommendations:

1. That a man wishing to be taken under the care of the Presbytery initiate this action through his local pastor and session rather than this committee. That the local pastor or clerk of session request the forms for the man and the session pass on his acceptability before the committee contacts the man.

2. That no candidate be received under the care of the Presbytery until his first year in college has been completed. Any young man who feels himself called before going to college shall receive the guidance of this committee until his reception by the Presbytery.

3. That a time element of three months be established between the time a candidate applies for acceptance under the care of the Presbytery and his being taken under the care of Presbytery. This is to be a minimum and will be strictly adhered to by the Presbytery.

4. That the candidates be furnished a copy of the minutes of Presbytery and that their names be placed on the mailing list for Presbytery's newspaper.

5. That Presbytery, through its Executive Secretary and Chairman of Home Missions Committee, seek to help the field work offices of our seminaries in placing our candidate for summer work, when they so request it.

6. That churches be urged to consider establishment of funds to aid candidates for the ministry from their particular church. This will help take the burden off other organizations seeking to aid them in their ministerial education.

7. That the ordination service be taken out of the hands of the candidate and placed in the hands of the Commission on the Minister and His Work working in conjunction with the Executive Secretary. The requests of the candidate will still be honored but the burden of responsibility will not be on his shoulders.

8. That a report on the progress and personal data of each candidate be furnished the Presbytery at least once a year and that prayer be conducted for the candidates at that time.

9. That pastors and sessions be encouraged to pray for candidates from their particular churches during the course of their regular session meetings.

10. That the following men be dropped from the roll of candidates at their own request: Mr. Charles L. Burnett, Mr. Earl M. Craven, and Mr. T. A. Guiton, Jr.

PRESBYTERY'S COUNCIL The report of Presbytery's Council was made by the Chairman, Rev. R. L. Prince. It was adopted and is as follows:

Presbytery's Council met on April 4, 1961 and handled all matters which had been referred for consideration.

Benevolence monies received by Presbytery's Office for the first quarter of 1961: $39,560.78. This compared with $39,207.12 last year, showing a very slight improvement. The improvement appears insignificant indeed when one realizes 1960 was $20,000.00 less than 1959. At least we have stopped slipping. Perhaps we can start moving ahead again.

There was a gratifying response to the request made to those churches able to pay their Presbytery tax this early in the year. More than $5,000.00 was sent in, and gratitude is expressed for this action which prevented the necessity for borrowing money to pay Assembly's obligations.

An urgent problem demanding immediate action had to do with living quarters for the Executive Secretary. Adequate rental property has been sought without any success. Council feels that the purchase of a house is imperative and consequently makes the following recommendations to Presbytery:

(1) That Presbytery borrow up to $6,000.00 on a short term note and buy a house costing no more than $25,000.00, and that payments against the loan be put in the budget at the rate of at least $1,000.00 annually until the note is retired.

Respectfully submitted,
R. L. Prince, Chairman

CHRISTIAN EDUCATION: Rev. George Houck, Chairman made the following report on Christian Education which was amended and adopted and ordered distributed to the churches:

REPORT ON CHRISTIAN EDUCATION

The major emphasis of our report to you will deal with coming events. But we would remind the Presbytery of the endless hours of work, by many people, which have gone into the planning and of the many more which will be needed to implement these plans.

Your Committee considers itself a servant of the programs of your local churches, to effectively serve you two things are required of you: first that you avail yourselves of the many resources which are made available and second that you respond to the committee's call for funds and personel to finance and man its programs.

A successful Leadership School was held during February and March with a total enrollment of 377 students, from 50 churches of the Presbytery. Of this number 190 received Recognition Cards. A Vacation Church School Director's Training Class has been completed with plans for a Teacher's Training Session on May 6, of this we will have more to say later. A Presbytery-wide Music Program is showing encouraging developments, the latest being a Music Festival for Junior and Senior Choirs at Brownson Memorial Church on Sunday, April 16. Your attention is called to the fact that the Board of Christian Education no longer espouses the cause of Young Adult work, as such, and urges the churches to absorb this segment of our membership in the regular programs of Men and Women. In the light of this your committee will desist from further efforts in this area until new approaches have been formulated.

Again we would remind you of the coming of The Covenant Life Curriculum and urge you to inform yourselves of its nature and use. In the light of this we would suggest that the Nominating Committee have this in mind in making nominations for the Christian Education Committee, class of 1965. We also stir up your memories to the presence and availability of Miss Mary Catherine McCormick, Area Director of Christian Education, for help in your local situation and problems.

The most significant and urgent matter of our call to you has to do with the summer conference and camping program which is just around the corner and which has and is absorbing much of our time and energy. Detailed information of the program has been incorporated in a brochure which will be placed in the hands of responsible leadership in every church. We urge you to give careful attention to this information and see that it is made available to the whole constituency of every congregation. In the area of leadership WE MUST HAVE YOUR HELP, will you please give more than listening attention to pertinent recommendations which follow:

RECOMMENDATIONS:

1. That churches renew efforts to provide Counselors for the Conferences and Camps by:

(a) Every minister responding to the call of Directors and give at least one week to this important program.

(b) That local leadership be screened for possible availability and recruited for camping duty.

2. That Presbytery enlarge the Christian Education Committee by one permanent member, who shall serve as chairman of a subcommittee on Promotion and Recruitment, in collaboration with the Camping Committee. (This Committee would be charged with improvising such plans as would seem to best further this phase of the Presbytery's responsibilities, within the frame work of the Christian Education Committee.)

3. That every church enrich its life by conducting a Vacation Church School. And that efforts be made to have teachers attend the training school on May 6.

4. That pending the adoption of this report the Presbytery hear Rev. Owen Norment with an announcement concerning the Teacher Training Conference for Bible School teachers.

5. That Presbytery's Office send copies of this report to clerks of session with note of the gravity of the camping program.

SYNOD'S AND ASSEMBLY'S CAUSES: Rev. Paul Hanks made a report on Synod's and Assembly's Causes which was received as information.

RESOLUTION AGAINST FEDERAL AID TO PAROCHIAL SCHOOLS

WHEREAS the General Assembly has affirmed the principle of the separation of church and state and the necessity of a strong public school system, and

BE IT RESOLVED

That we would reaffirm our belief in the doctrine of the separation of church and state and our support of the public school system;

And that the urgency of this matter be called to the attention of the sessions and members of the churches, urging them to make known their views as individual citizens to their representatives in Washington, encouraging them to take a stand at all times in support of the principle of the separation of church and state and a strong public school system.

PROGRAM COMMITTEE: Elder John K. McGirt presented the docket, which was adopted by Presbytery as the program for the day.

STANDING COMMITTEES:

The Moderator appointed the following Standing Committees:

Bills and Overtures—Elder John K. McGirt, Rev. Howard Gilkeson, Rev. Robert M. Hart.

Resolutions—Rev. E. Lamar Beck, Rev. Dewey Herring, Elder James McCallum.

MEMORIAL SERVICE: Rev. William S. Golden presented the memorial for Rev. L. A. McLaurin and led the Presbytery in a prayer of thanksgiving for the life and work of Mr. McLaurin.

The Reverend Laughlin Alexander McLaurin was born in McColl, S. C. on October 9, 1870, and passed away at High Point, N. C. on July 24, 1961, at the age of 90 years. He had been in failing health for several years.

He graduated from Davidson College with the degree of Bachelor of Arts in 1892, and from Columbia Theological Seminary in 1895. He was licensed to preach by Pee Dee Presbytery in 1895, and ordained by Albemarle Presbytery in September of the same year.

His ministerial service was in the following places: Stated Supply, Wilson, N. C. Presbyterian Church, 1895; Evangelist in Mitchell County, N. C. 1896 to 1901; Pastor of the Raeford, N. C. Presbyterian Church 1901 to 1906; Lillington and Sardis Presbyterian Churcches 1906 to 1908; Pastor of the Statesboro, Ga. Presbyterian Church 1909 to 1914; Jonesboro, Buffalo, Salem and St. Andrews Churches, then in Fayetteville Presbytery, 1914 to 1922; Rowland and Midway Presbyterian Churches 1922 to 1937; Elise Church at Robbins, N. C. 1937 to 1942. He was honorably retired in 1942, but served as Temporary Supply in various churches in Pee Dee and Fayetteville Presbyteries for some time. While at Statesboro, Ga., he served as Stated Clerk of Savannah Presbytery in 1913 and 1914.

It will be seen from these facts that his ministry was a long one, of forty-seven years in the active pastorate, plus some years as Temporary Supply, until advancing years forced him to take a long needed rest.

Mr. McLaurin was married first to Miss Mildred Hill of Elk Park, N. C. in 1899; to them was born a son, James L. McLaurin. Mrs. McLaurin died in 1903. His second marriage was to Miss Lillian Hunter, of Rogersville, Tenn. in 1909. To them were born the following children: Alice, Hugh L. and Jean McLaurin.

Each of his two wives was a great helpmeet to him. The second Mrs. McLaurin was also especially active in the Women's Work of the Synod of North Carolina, and served as President of the Women of the Church of Fayetteville Presbytery.

The long friendship between Mr. McLaurin and the writer of this sketch was further strengthened by the fact that Mr. McLaurin performed the wedding ceremony for the writer and his beloved wife.

Mr. McLaurin was an interesting and helpful preacher. He was an active and beloved Pastor in the homes of the people. His churches prospered and grew in numbers and in grace. He was truly one of those men of God who, in the words of the poet, "Allured to better worlds, and led the way."

During his pastorate at Elise Church he taught manual training in the Elise High School. This was possible because he was a skillful worker with his hands, and could build beautiful furniture and other things. He was a man of great common sense, and fine practical judgment.

As a Presbyter, he was a very useful and helpful man. He was faithful in attendance, and capable and active in performance of every duty. The solid and lasting accomplishments of our Church are in large part, humanly speaking, the result of the work of such solid and able men.

Mr. McLaurin never ceased to miss his beloved wife, who passed away a number of years ago. The closing years of his life were spent in the Presbyterian Home at High Point. It was there that, as someone has said, "he fell asleep, and slept on into the morning of eternity."

John Bunyan tells us that as Christian, the Pilgrim, came down into the dark river, he soon discovered that "its waters were not near so deep nor dark as I had imagined, and e'er I reached the middle of it. I had heard the sound of singing on the other shore."

We like to think of Brother McLaurin, who loved the songs of the Gospel, coming to meet his loved ones, and his Lord, as having a song in his heart:

"Out of earth's sorrows, into Thy balm,
Out of life's storms, and into Thy calm,
Out of distress to jubilant Psalm,
Jesus, I come to Thee."

Speaking for the members of the Three Hundred and Thirty-Sixth Stated Meeting of Fayetteville Presbytery, we wish to record that this has been one of the most spirit filled meetings in our history. The atmosphere of spiritual well being having been set by the retiring moderator, Elder John K. McGirt, was passed with the gavel to the moderator-elect, the Reverend Robert O. Freeman, and has permeated each succeeding order of the day.

We appreciate the memorial service handled by the Reverend W. S. Golden. We are especially grateful to Mrs. Jane Freeman, the wife of the moderator, for acting as our Presbytery pianist, and to Elder Murphy McGirt for his again tying in our sense of Christian Stewardship with our claim on the promises of Christ Jesus. Our communion service, led by the Rev. C. R. Terrell and the Reverend Homer Phifer, and the participating elders, was simple, worshipful, and a glory to the Lord.

We are indeed grateful to Dr. Frontis Johnston, the special Centennial speaker, who challenged us to let the deeds of the past be helpful for the future as we seek to bring in God's Kingdom on earth.

We wish to express our gratitude to Mr. and Mrs. T. C. McKnight and his kitchen staff and the faithful women of the Old Laurel Hill Church for the efficient serving of the delightful meal.

We pray God's blessing on our new ministers.

APPENDIX

REPORT ON CHRISTIAN EDUCATION

January, 1962.

The attention of the Presbytery is called to the following information:

1. That Presbytery took the following action at its winter meeting:

"That Presbytery urge all ministerial members to attend the Covenant Life Curriculum Seminar next September. That members of Presbytery who have conflicts with this date arrange with our local Seminar Arrangements Committee to attend another Seminar in a nearby Presbytery or make a written request to Presbytery that they be excused, and that the Committee on Arrangements for the Seminar make an attendance report to Fayetteville Presbytery".

The Seminar for Fayetteville Presbytery will be held at St. Andrews Presbyterian College, September 3-5, 1962. Our Seminar team members will be the Reverend Fred Holder, Dr. Harry Moffett, Dr. Lee Stoffel, Dr. Balmer Kelly and Miss Eleanor Belk.

Only one other Seminar will be held after this date. Information regarding the other Seminars may be secured from Mr. Onnie Bailey, Seminar Arrangements Chairman, Highland Presbyterian Church, Fayetteville; or from Miss Mary Catherine McCormick, Area DCE, St. Pauls, N. C.

2. There is a need for accredited Teacher Consultant - Training Centers in our Presbytery. In recent years the Kindergarten Class, Red Springs, Mrs. Ben Campen, Consultant, has been our only accredited Training Center. Indication has been given that teachers in the Presbytery desire opportunities to observe good teaching situations. Sessions and Christian Education Committees are urged to secure from the Area DCE information about the Teacher Consultant-Training Center program.

3. Three Vacation Church School Institutes will be held in the Presbytery this spring. These Institutes are scheduled from 9:30 A.M. to 3:00 P.M. on Saturdays and will provide a class for VCS Directors; demonstration classes for teachers of Kindergarten, Primary and Junior children; and a class for teachers of Pioneers. Copies of CVS texts will be on sale at each Institute. Dates and places are as follows: April 28, Bethesda Church, Aberdeen; May 5, First Church, Dunn; May 12, First Church, Lumberton.

4. Additions to the 1962 Camping Program:

(a) A Church Music Camp will be held at Camp Monroe August 2-4, 1962. A program for children, youth and adults is being planned by the sub-committee on Church Music. Fourth grade Juniors through adults are eligible to attend.

(b) A second Family Camp has been scheduled for August 27-31. The First Family Camp has already been announced for August 13-18.

5. The services of our Area DCE are available upon request as described in the brochure on Area Work. In addition to filling the requests for her services, the Christian Education Committee has asked Miss McCormick to visit as she has opportunity the local churches with which she has not yet had contact.

The following RECOMMENDATION is submitted for the approval of Presbytery:

1. That Presbytery authorize the Leadership Education subcommittee to set up three Area Leadership Schools for 1963, including the eight districts of the Presbytery in the following grouping:

Districts 1, 2, 8; Districts 3, 4, 5; Districts 6, 7.

2. That Presbytery hear Rev. Allen McSween, who has come to speak on the Covenant Life Curriculum.

Respectfully submitted,

Joseph W. Flora, Chairman

CHRISTIAN EDUCATION April 1962

The Committee offers the following recommendations to Presbytery:

1: That Fayetteville Presbytery place in its permanent record its hearty thanks to T. C. and Minnie McKnight and their children, Portia and Lucy Lois for contributing so much of their love and life to Camp Monroe and Fayetteville Presbytery during these past seven years; that we are overjoyed that they have settled near us and near camp, for neither the turn in the road nor the pine trees can ever obscure the real love we hold for the McKnights.

2. That Presbytery require all members attend the Covenant Life Curriculum Seminar next September. That members of Presbytery who have conflicts with this date arrange with our local Seminar Arrangement Committee to attend another Seminar in a nearby Presbytery or make a written request to Presbytery that they be excused and that the Committee on Arrangements for the Seminar make an attendance report to Fayetteville Presbytery.

3. That upon adoption of this report that Mr. Onnie Bailey, Chairman of the Committee on Seminar Arrangements be heard in a brief announcement concerning these plans.

Respectfully submitted,

Joseph W. Flora, Chairman

2. That the attention of the churches be called to the fact that January is Christian Action Month, the season when our General Assembly recommends that emphasis be given to Christian Relations in the program of the local church.

3. That the churches be encouraged to make use of the best available resources for the study of the alchohol problem. 4. That the attention of the churches be called to the reprint of the report of the Permanent Committee on Christian Relations, adopted by the General Assembly on the subjects of the Christian view of sex, pornography, and premarital counseling, in the September issue of the Presbyterian Survey; and that this be commended to the churches for study.

The following recommendations were approved:

1. That the Long Range Planning Committee, composed of Rev. R.F. Sloop, Chairman; Rev. J. V. C. Summerell, Elder M. M. Clark, be continued to study long range plans for the Presbytery for the space of three years.

Ligon and Elder Fred Culbreth, be continued to study proposed changes in the procedures of Presbytery. The Committee is asked to confer with the Committee on Higher Education in regard to these changes.

RECOMMENDATIONS: Sept. 1962

I. PRESBYTERY DOCKET:

1. Examination

A. Examination of Candidates:

a. Candidates for ordination shall be given a thorough examination in all the prescribed areas by the Examination Committees prior to the meeting of Presbytery. The senior member of the Theology Sub-committee will serve as the Chairman in charge of the examination.

The Committee shall make a written report to the candidate after the examination, advising him of the findings. The Committee shall report to Presbytery their recommendation as to whether he be accepted, further questioned, or rejected.

The Chairman of the Commission on the Minister and His Work shall convene the Examination Committees.

The quorum will be: one member of each examinations sub-committee, excepting the Theology sub-committee, which will be two members. Total quorum must be a majority of all the examination committees (or eight).

b. At the Presbytery meeting, the candidate shall make a concise statement of his faith preceding the committees' report, after which the floor will be open for questions from the Presbytery.

B. Examination of Ministers received by transfer:

The minister being received will be asked a list of suggested set questions stressing his views and covering the prescribed areas. The floor will be open for further questions from the Presbytery.

2. Stated Meetings:

It is recommended that the dates of the three stated meetings be as follows: the last Tuesdays in January, June and September.

(It will be necessary to have a June meeting because the Seminaries no longer wish to grant permission for students to attend Presbytery meetings to be examined while school is in session.)

The Council appointed a special Committee composed of the Rev. W. B. Heyward, Chairman; Fred Culbreth and the Rev. Robert G. Hall to instigate this re-study.

II. LONG RANGE PLANNING COMMITTEE:

Membership:

1. That 2000 new communicants be the goal per year and that the following percentages be accepted by each Church:

a. 5% annual increase for churches over 1000.
b. 7½% annual increase for churches 500 to 1000.
c. 13% annual increase for churches less than 500 in stable communities.
d. 25% annual increase for churches in larger developments.

2. That Sessions implement these goals by taking the initiative in and conducting intensive congregational action in the fields of Evangelism and Stewardship.

3. That Sessions review inactive rolls and make an effort to restore these members.

4. That Presbytery endorse the recently-expanded Evangelism organization and cooperate in their efforts.

5. That we recognize our dependence upon the work of the Spirit of God to move upon the hearts of every person, and that we prayerfully seek His blessings upon our efforts to win them to Christ.

New Churches:

1. That three new churches and three chapels be started during the next three years.

2. That the Presbytery be informed of the availability of Mr. Hal Hyde, Assembly's Board of Church Extension, to help survey areas in locating new churches.

Stewardship:

1. That churches make a 10% annual increase to benevolences.

2. That all churches have a year-round Stewardship educational program.

3. That churches have semi-annual missionary-education schools.

4. That benevolent contributions be made as much a local responsibility as the local church program.

5. That each Church accept its fair share of the Presbyterian Development Fund. (Presbytery's fair share would be $250,000 for three years).

In General:

1. That each pastor set up a definite program for having self, session, or someone capable, challenge young men to Church Vocation.

a. That Sessions create a Christian Vocation Committee, whose main purpose would be challenging young people to Church Vocation. This committee could be used to prepare young people for the Guidance Center. Aim toward having a candidate from at least half our churches at the end of three years.

2. That churches have more training of young people into Presbyterian organization. Use them for making talks, serving on congregational committees, etc.

3. Have church organizational meetings to stress the program of the church using the Plan Book.

4. Get more young people to Camp Monroe, and use the weeks to emphasize training, teaching and inspiring.

5. Have more officer training in Churchmanship and in understanding the mission of the Church. Helpful books: "Nature and Mission of the Church", Donald Miller; "The Company of the Committed", Elton Trueblood; and "The Spirituality of the Church", E. T. Thompson.

Consolidations:

1. That each church study its own resources, current expenses and benevolent budgets, and membership potential to determine if it might be strengthened by regrouping or revision of its program.

The Council appointed the following to the Long Range Planning Committee: The Rev. R. F. Sloop, Chairman; the Rev. J. V. C. Summerell, Ruling Elders M. M. Clark, Guyton Smith and Halbert Jones.

III. Nominating Committee:

The following were elected to the Nominating Committee, Class 1965: The Rev. Louis C. LaMotte, Chairman and Ruling Elder Peter Cromartie, Fayetteville.

IV. Presbytery resolves itself into a Committee of the whole to examine Sessional Records under chairman of Committee on Records.

Respectfully submitted,

Leslie C. Tucker, Jr., Chairman

HIGHER EDUCATION

April, 1962

The Committee on Higher Education recommends that Steadman Black Bryan be received as a candidate for the ministry under the care of this Presbytery even though Mr. Bryan does not intend to complete the ordinary academic requirements for ordination. The committee makes this recommendation for the following reasons:

1. That although the educational requirements for the ministry are of considerable importance, they do not constitute the paramount consideration nor the only one.

2. Because of Mr. Bryan's age (55).

3. Because of a long and useful life of service which he has been and is rendering to Christ's Church.

4. Because the circumstances in this case as a whole seem to justify this action in the light of Mr. Bryan's willingness to pursue a supervised course of study prescribed by the Presbytery.

The committee further recommends that the Committee on Candidates be given the authority to prepare a definite course of study for Mr. Bryan to pursue, such course to be completed within two years but not less than eighteen months.
